10.9: Organization Chart

10.10	Student feedback mechanism on Institutional Governance / faculty performance	<p>Feedback is taken subject wise and faculty wise, from all the students at the end of every semester and year. Designed format is used to take the feedback. The information collected is used to understand the strengths and needs for improvements in the teacher's overall performance. This helps to take remedial measures leading to overall improvement in the teaching methodology in the department. Further, the course evaluation by students is done once in a year and their feedback is considered for the refinement of syllabus in subsequent revisions.</p> <p>College will maintain a system of feedback from student on the institutional governance/ faculty performance. The Secretary and the Principal make direct interaction with the students on this issue and after patience hearing necessary corrective actions will be taken in order to improve the institutional governance.</p> <p>Students are asked to fill up staff appraisal form to know about the faculty performance. Student's assembly is conducted at least once in the year</p>		
10.11	Grievance redressal mechanism for faculty, staff and students	<p>Grievance redressal committee is constituted according to regularly requirement and handled on case to case basis.</p> <p>The college has formed students' grievances redressal committee to reduce various problems of the students related with day to day functioning of the college. The teaching faculties were given the responsibilities. The students have also given the responsibilities. The students should report to their representative about their problem who further carries that problem to committee.</p> <p>If needed the matter will be discussed in the college governing council.</p> <p>Periodical meetings are conducted for the students and the faculty by the principal and the academic council.</p>

VPIP is a progressive edifying organization, dedicated to the pursuit of excellence help and widen our nation's technological and health base by providing high quality education through a creative balance of academic, professional, extension and extracurricular programmes. VPIP provides facilities to cater, quality technical and health education in rural and urban society, by making education accessible to the deprived and deserving

VISION

To become a premier, recognized institute by excelling in pharmacy education for creating the dynamic, competent, valued, socially responsible and knowledgeable Professionals, who shall contribute in the nation building process and enrich their lives.

MISSION

To achieve Excellency in Pharmacy pedagogy and research, through student centric quality education, state-of-art research facility and holistic growth of students, to develop skilled pharmacy professional for strengthening the healthcare of the nation.

QUALITY POLICY

- The Institute strides towards excellence, by adopting a system of qualitative policies and processes with continued improvements to enhance students' skills and talents for their exemplary contribution to the society, the nation and the world.
- Institute ensures that its students get state-of-the-art technical and healthcare professional education as per the rules and regulations of the all education regulatory apex bodies.
- The institute strives hard towards shaping the career of its students in the right perspective through a competent and research oriented teaching faculty; through a continuous industry-academia interaction; and by fostering the holistic development of the students as well as the staff.
- The institute blends the traditional values with modern technology and devote ourselves to the relentless pursuit of excellence in professional education and development of better human being.

MESSAGE FROM THE PRESIDENT

"Education is not preparation for life, education is life itself"

We are emphasizing on to maintaining quality standards in academics & implementing modern technology to impart the best knowledge to the students so as to reach great heights & meet the challenges of globalization. We want to make our institution as a center of excellence in pharmaceutical education so that we can provide competent pharmacy professionals to render services to society.

Smt. Padmaja Pradeep Patil
President (Shri Yashwant Shikshan Prasarak Mandal, Kodoli)

MESSAGE FROM THE CHAIRMAN

"You are always students, never a master"

You have to keep moving forward. We believe in imparting quality education based on moral values. Our main goal is to become one of the most prominent and exceptional educational institute in the field of pharmacy. We are privileged to have a capable, highly dedicated teaching and support staff. I am sure my committed faculty and staff will strive hard to transcend you all into prospective young pharmacists with globally compatible skills and knowledge. I look forward to welcoming you to join and contribute to our journey towards exploring new frontiers in the field of pharmacy education with wisdom.

Hon. Dr. Jayant Pradeep Patil
Secretary, Shri Yashwant Shikshan Prasarak Mandal, Kodoli

MESSAGE FROM THE TRUSTEE

"Education is an ornament in prosperity and refuge in adversity"

In today's scenario, education cannot be confined to a limited objective of making the students literate but the holistic approach is required to ensure the overall development of personality. We make constant endeavors to give a proper shape to the personality of young students to make them ideal citizen of nation & also help for socio-economic development of the nation.

Hon. Mrs. Vinita Jayant Patil
Trustee (Shri Yashwant Shikshan Prasarak Mandal, Kodoli)

MESSAGE FROM THE PRINCIPAL

"SHILAM PARAM BHUSHNAM" is the motto of the YSPM League of College. The YSPM'S Vasantidevi Patil Institute of Pharmacy offers both Diploma & Degree courses in Pharmacy. Pharmacy is a versatile, dynamic, growing and increasingly diverse profession, as there are so many opportunities for the service. Our motto is to develop the students with updated knowledge, skills and competency. We have highly dedicated, qualified, enthusiastic and exceptionally brilliant faculty to ensure betterment of students in every aspect and to uplift students of rural areas. We believe not only in academic excellence but also in the multifaceted development of our students. With high moral values, our students blend professionalism and a sense of social responsibility so as to be recognized as dutiful citizens of the country. Over the last 18 years some of our students by virtue of being Board and 'University toppers' have made us proud.

Dr. Santosh A. Payghan
Principal, Vasantidevi Patil Institute of Pharmacy, Kodoli
