## **About Camp –**

Vaccinations against Covid-19 were developed using science that has been in the books for ages. These vaccines are not experimental. They have been through all the stages of development for any new scientific breakthrough. In addition, Covid-19 specific vaccinations are constantly monitored by multiple health organizations purely because of all the pandemonium this virus has caused across the world. Hence, it becomes crucial for every citizen to take part in the vaccination drives organized by their local governmental bodies and other bodies offering the vaccine officially. Here's a list of important details about vaccinations that make it absolutely necessary for you to NOT miss vaccination against Covid-19.

Vasantidevi Patil Institute of Pharmacy, Kodoli, Department of Higher and Technical Education, Maharashtra State and Shivaji University, Kolhapur as well as the Department of Health. On behalf of him, a campaign of preventive vaccination of Covid-19 for college students was carried out under "Mission Youth Health". College students spontaneously responded to this. In carrying out this campaign, the health workers of the primary health center at Kekhle got great support More than 20 students were vaccinated under this campaign. To implement this campaign, the principal of the college, Dr. Santosh Payghan provided valuable guidance. The planning of this campaign was done by the coordinator of Natinal Service Scheme Performed by Mr. Suraj Jadhav, Mr.Umesh Patil. Other teachers and non-teaching staff of the college were also present.
