About Function –

National Service Scheme (NSS) camp was organized by Vasantidevi Patil Institute of Pharmacy, Kodoli funded by Shivaji University, Kolhapur during the period of 28th Feb to 07th March 2022 at Mohare Village, Panhala Taluka, District- Kolhapur.

NSS was established in 1969 with a vision of personality development of students through community service and well as development of rural areas in India. NSS Unit has been introduced in colleges with an optimism of establishing a sense of social responsibility amongst students and inculcating values of self-discipline and selfless dedication towards community development.

As a part of NSS Activities, a 7 day camp was held by Vasantidevi Patil Institute of Pharmacy at Mohare Village, Panhala Taluka, District- Kolhapur between 28th Feb to 07th March 2022. Various social activities were held with a sole view of rural development and value education. We, being a part of the cultural committee, undertook various cultural activities in the village to promote interaction with the villagers and used the NSS platform to spread awareness about different social issues.

HEALTH AWARENESS PROGRAMME FREE EYE CHECKUP CAMP

A medical health care camp had been set up in Mohare, Panhala on 2nd March 2022 by the NSS students of Vasantidevi Patil Institute of Pharmacy, Kodoli. In the camp, proper medical treatment of the people of Mohare and nearby area was done and remedial measures were provided, all free of cost, including the basic medicines required for an early recovery. The aim of the health camp was to administer Health Awareness and provide health counseling. The four team of doctors from Yashwant Ayurvedik hospital, Kodoli including head Dr. Patil conducted the camp with which included General Physical examination, Blood Pressure check-up, Hemoglobin Check-up, Blood Group Examination. Necessary medical advice and precautionary measures were given to the students. The students were given the task of taking down the details of the people who came for this health check-up and guide the people for the same. The people encouraged to do simple activities on a regular basis to get rid of the excessive body pain. Check-up was performed on every patient. After that, they were sent to their respective doctors where they were appropriately given the right directions regarding their health. The doctors carefully listened to the problems that patients were facing and provided an appropriate solution to cure it. Majority of the people were suffering from chronic joint pain and high/low blood pressure. The camp lasted for four hours, from 10am to 2pm. More than 150 people attended the camp. The talk was followed by the different queries that villagers asked with respect to the consultation to understand their health related concerns and help them. This session was further followed by counselling in group where in similar set of problems were dealt together. The teachers helped in the successful completion of the camp by providing the doctors the required information. The villagers too were very enthusiastic and attentive.
