BEST PRACTICE- I

Mentor Mentee Program

Best Practice I

Mentor-Mentee Program

Mentoring is a key strategy of induction. Mentoring is essentially a formalized relationship that supports and encourages professional learning. In mentoring, a sound and trusting relationship will rely upon the degree of understanding and responsibility shared by the mentoring partners.

Objective of the Practices

Mentoring is contributing time, attention, insights and advice to help a mentee within an environment where they have apt resources and support to develop social, technical and intellectual capital. Mentoring involves personal interactions with the mentee.

- To help in setting goals and develop capabilities
- To provide pillar support to steer through challenges
- To keep a track of attendance, academic performance and behavioural aspect of student by interacting with exam department and the hostel authorities.
- To provide professional guidance leading to selection of career and choosing avenues for higher education.

The Context

As mentors are the backbone of all Higher Education Institutions (HEIs) it not only ensures better outputs and high employability for the students but also ensures high enrolment ratio. Mentoring is a key strategy of induction. Mentoring is essentially a formalized relationship that supports and encourages professional learning. In mentoring, a sound and trusting relationship will rely upon the degree of understanding and responsibility shared by the mentoring partners. The establishment of the relationship is crucial and will determine the level and quality of dialogue. Through SWOC analysis and sharing of profiles mentor and mentee derive the opportunities and time to get to know each other for building the foundations for the development of the professional relationship. This will lead to connect the faculty more to the need of society, industry, R & D and the country as a whole. This phase

shall help teachers enhance their practical and field related skills for making teaching learning process applied and occupation oriented.

The Practice

Mentoring committee work on mentoring of student to build knowledge, confidence, character and skills successfully and to enhance the students confidence and challenged faced by them setting higher goals.

- Introduce and discuss the concept of mentor-mentee system with the assigned mentees.
- Call a meeting of all a mentees and record their necessary details in designed form, note any specific requirement of any student and discuss with them the complete schedule of further meeting.
- Support students academically and emotionally
- Contact Parent to inform the progress of their ward, whenever required
- Maintain a record of the progress made by the identified underperforming students and take remedial action whenever required.
- To guide students and also to arrange for remedial teaching, if required.
- Provide detail of attendance, continuous assessment, term and explanation, co-curricular, extracurricular activities to the mentor whenever asked for
- All guidance activities, undertaken by the mentor like call records to parents, meetings and minutes of the meetings are recorded in a note book which is maintained by each and every mentor

Evidence of Success

Mentoring is a natural process, which blossoms from the desire of experienced veterans to give and the thirst of inexperienced novices to grow.

- Good mentor-Mentee relationship developed sense of assurance, support in mentee and prepare them for life challenges.
- In academic perspective, mentoring encourage in regular attendance and being sincere towards academic progression.

Principal

Kodoli, Tal. Panhala, Dist. Kolhapur

- Counsel to mentee to active participated in co-curricular and extracurricular activities
- Familiarize mentee with recent advancement in Pharmacy field and prepare technically sound.
- Constant screening for soft skill development has improved the number of employable graduates
- Mentor might be connected with Alumni and support the student throughout their professional journey.
- Inculcate professional ethics and humanity to become good citizen
- A compassionate link is tiled day by day among parents, teachers and students
- Healthy Mentor- Mentee relationship induces synergistic effect to Institute in terms of higher placement of students, excellent admission and to become institute brand.

Problems encountered and resources required

- Mentoring is a two way process where if one side is showing less interest, it would collapse the healthy relationship
- Space constraints pose difficulties in conducting sessions in separate classrooms
- Sometimes students preferring a particular teacher as the mentor cannot be accommodated given the large student strength
- If the mentees are allotted across the disciplines, they may feel free to share their problems and sometimes the familiarity of subject teachers makes them bottle up their difficulties

News/Media:

The news of said meeting in VasatavDarpan dated 9th November 2020

वासंतीदेवी पाटील फार्मसीत ऑनलाइन शिक्षक-पालक सभा संपन्न

कोडोली : कोविड - १९ च्या वाढत्या प्रादुर्भावामुळे पालक -शिक्षक व विद्यार्थी -शिक्षक यांचा समन्वय फारच कमी झाला आहे, याचेच औचित्य साधून महाविद्यालयामध्ये दिनांक १ नोव्हेंबर २०२० रोजी ऑनलाइन पालक-शिक्षक सभेचे प्राचार्य डॉ. संतोष पायघन यांनी नियोजन केले.

या सभेमध्ये शिक्षक- पालक -विद्यार्थी यांचा समन्वय वृद्धिंगत होईल. यामध्ये गतवर्षी झालेल्या परीक्षेच्या निकालाचा आढावा, चालू शैक्षणिक वर्ष अंतर्गत परीक्षेचा अहवाल, चालू शैक्षणिक वर्षात विद्यार्थ्यांची

ऑनलाइन वर्गाची उपस्थिती अहवाल, आणि कोविड -१९ परिस्थितीत चालू असणाऱ्या ऑनलाइन शैक्षणिक कामकाजावर चर्चा करण्यात आली.

या सभेत पालकांनी उत्स्फूर्त प्रतिसाद देऊन आपल्या लक्षवेधी सूचना आणि अभिप्राय मांडला. या सभेसाठी संस्थेचे सचिव मा. डॉ. जयंत पाटील व विश्वस्त मा. सौ. विनिता पाटील यांचे मोलाचे मार्गदर्शन लाभले. शिक्षक-पालक सभेचे नियोजन प्रा. सुप्रिया पाटील आणि प्रा. शितल देसाई यांनी केले. या दरम्यान महाविद्यालयात मधील इतर शिक्षक व शिक्षकेतर कर्मचारी उपस्थित होते.

BEST

PRACTICE- II

E - Management of the

institution

Best Practice II

E - Management of the institution

Institute with the internal resource has developed intra-portal which includes student information system to track the academic and extracurricular performance of Students apart from monitoring the teacher's performance.

Objectives:

- To assist Stakeholders and Faculty to stay associated among each other
- To communicate simply and correspond by means of essential notices which affords information at every period.
- For administration purpose like Faculty attendance, leave policy, admission and examination
- Paper work is condensed by the utilization of this appliance.

Context:

Vmedulife software system facilitates institution to control enrollment, admissions, Students data entry, Faculty leave policy, Course file details, Fees, learning management system, scheduling seminar, assignment, Code of conduct, scheduling, result output, committee of the institute. It produces output in automatic way on all facets for data-driven decision-making.

Practice:

E-administration is useful for student's Enrollment and admission. Online records make student data collection in easy way. Documents and online submission outline gives a benefit for our institution. E-administration provides all the information to student, faculty, parent and stakeholder's and make process economical. College website was developed successfully provide good platform to provide professional details to society. College news and updates are available online for circulation to professional era.

Evidence of Success:

Software provides data of outcome based education includes academic planning, online feedback, online exam, result analysis, rubrics, assignment, and IQAC report. In teaching learning point contains student's detail, learning management system, mentoring, notice board, training and placement, committee and course file data. In addition it provides library, leave management, fees detail, admission and employee registration information.

The software includes of a dashboard module which explains information in graphical formats for easy understanding. These reports are supportive for institute in intentional planning. It also helps in recognizes the needy students i.e. slow learners and assist to their need which progress their performance.

Problems encountered and resources required:

- Few guardians are unqualified which makes them uninformed of this facility which keeps them at the dark end of their wards performance and information from college.
- In sufficient Net access for parents and students in their residence Efficiency of work depends on availability of net access for students and parents at their location.
- Most of the parents residency in village having problem easy net accessibility
- Parents need to be called individually to give information.
- So parents are informed of this facility at the time of admission to monitor their wards performance.
