Course Credit- 04

After the successful first run in 2019, we are back with the first Pharmacy SWAYAM MOOC of country. My self Dr Ajay Semalty along with my team members welcome you in the course.

Do you want to learn the basics of Industrial Pharmacy with practical approach and vibrant environment? Come join our course.

The course is one of the papers of Fifth semester of B. Pharmacy syllabi approved by Pharmacy Council of India (PCI) and is adopted uniformly by all the pharmacy institutions and Universities throughout the country. All other learners who want to learn the basics of industrial pharmacy can get the vital benefit out of this course.

Objectives

The course has been designed with the aim that after completing this course, you should be able

- To identify and practice Dosage forms; and their manufacturing techniques
- To practice all the related and practical aspect of dosage form development
- To formulate and evaluate solid, liquid and semisolid dosage forms
- To correlate the theoretical knowledge with professional and practical need of pharmaceutical industry

Target Learners:

B. Pharm/ M Pharm/ Ph D Pharmacy students; researchers, Pharmacy faculty members/ Pharma Industry Personnel; the students of B Sc/ M Sc Chemistry/ Pharm. Chemistry/ biotechnology and other allied disciplines who aspire for the jobs in Pharma Industry or research.

Pharmacy students will get the 4 credits after successful completion of the course (and proctored exam). And the industry personals who are not from pharmacy background may enrich their knowledge with this course. The course is very suitable for all the aspirants of jobs in Pharma Industry even if they are not from Pharmacy background.

Course has been designed with the USPs

Easy language, to-the-point coverage of topics, pictorial/graphical, animated and Audio Video knowledge stored in the standards needed by the Pharma industry. The course is one of the pioneer MOOC in pharmaceutical sciences developed with the expert advice from academic and industry experts.
